Cecilia Makiwane Building
602 Pretorius Street,
Arcadia, Pretoria, 0083

INVITATION TO REGISTER ON THE SOUTH AFRICAN NURSING COUNCIL SUPPLIER DATABASE

The South African Nursing Council is currently updating its supplier database in order to give all potential suppliers, vendors and service providers equal opportunities.

We therefore request suppliers of goods and services to register on SANC Database.

All prospective suppliers are requested to register with the South African Nursing Council. Suppliers that have registered with SANC before, are requested to re-register their companies in order to update the information on the Supplier Database System. Only the suppliers/service providers registered within SANC Database will be considered for quotations. The list of the commodities that the supplier may register for, shall be provided in the registration forms.

SANC uses only suppliers registered on its own database and does not use the suppliers from the National Treasury's Central Supplier Database (CSD).

Registrations forms are available on the website at www.sanc.co.za.

Completed registration forms must be hand delivered to the tender box situated at the pedestrian gate at no: 602 Pretorius Street, Arcadia, Pretoria, 0083, Cecilia Makiwane Building.

For information, contact: Mr. Mpho Makhuvha at (012) 426 9570 or mmakhuvha@sanc.co.za

Closing date for submission: 02 October 2017 at 11:30

NB: Failure to comply with any of the conditions as set out in the forms will invalidate the registrations of the prospective supplier.
